

Quad Grid Decree: Individual Field Version

From www.AlchemicalMage.com Techniques/Spiritual Hygiene

"Legions of Michael: grid level one, spherical, my fields. Grace Elohim: grid level two, spherical, my fields. Ze'Or Continuum: grid level three, spherical, my fields. Circle Security: grid level four, spherical, my fields.

"Grace Elohim: please fill your grid with your energies, releasing astral entities, adverse electromagnetic frequencies, fear, disharmony, anger, adverse astrological influences, expectation, frustration, viruses, fungi, bacteria, worry, astral distortions, miscommunication, sadness, enemy patterning, scarcity, loneliness, karmic monads, and anything that distorts the spiritual signature or clear communication with Spirit. Release anything that hasn't been mentioned in this or any other language, but which you know needs to leave my fields at this time." (These are just a few suggestions. Fill in whatever is needed according to your situation). Then, "Spirit: I ask you to release all energies, entities, thought forms, emotions, cellular memory, orientations, pictures of reality, devices, intrusions and effects in my body and fields that are not of my core Divine essence, NOW!"

When the clearing feels complete, "Thank you."

"Legions of Michael, please infuse your grid with the energies of Grace, Purity, Faith, Hope, Peace, Liberty, Harmony, and Victory Elohim. Infuse with love, intimacy, the Unified Chakra, centeredness, clarity, full connection with Spirit, tolerance, clear communication, health, wealth, following Spirit without hesitation, mastery, sovereignty, living Heaven, and anything else that hasn't been mentioned in this or any other language, but which you know needs to be in my fields at this time. Please seal your grid. Thank you." (Again more suggestions. Fill in whatever you need, according to your situation.)

"Ze'Or Continuum, please set your grid for harmonization and optimization of electrical, magnetic, and gravitational frequencies. Please ensure that my fields remain harmonized with all of the electronic and mechanical devices in my space, and that I and the devices in my space remain harmonized in frequency with any electromagnetic surges, ley-line activity, Schumann Resonance, and any other electro- magneto-gravitational events and conditions occurring in this area. Thank you."

"Circle Security, realign your grid to harmonize with upper-dimensional grid works. Release all distortions and parasites on the grids. Infuse frequencies for clearer communication with Spirit. Seal grid. Thank you."

The Triple/Quad Grid, Individual Field Version, is a good one to use when you're outside, when you're travelling between gridded spaces, or anytime you feel you need to get clearer. It can be infused into a crystal and worn around your neck or on your person; when you feel like renewing the Grid, just request the deva of the crystal to "Renew Individual Grid." You might need to do a full version once a week-otherwise, renewing it one or more times a day can be done as outlined above and is still effective.

For a quick EMF adjustment, such as when you are working near computers and other electronic devices (including the chips in your vehicles, pagers, cellular phones, cordless phones, etc.): "Ze'Or Continuum, please assist: please harmonize the frequencies of all electronic devices in my space to my fields."
